Lou Hays

Bobby Fischer

Complete Games of the American World Chess Champion

A first hand look at the games of the man recognized as the greatest chess player of all time. Bobby Fischer's genius and uncompromising attitude raised the entire world's consciousness of chess and paved the way for multi-million dollar prize funds.

"The tournament and match tables, plus indexes of players, openings, ECO codes, and endgames make this an ideal Fischer sourcebook."

—**Robert Byrne,**
International Grandmaster and Chess
Columnist,
The New York Times.

"Here in one inexpensive single volume, the student has the largest collection of games of the strongest player of all time. what could be better study material?"

—**John Donaldson,**
International Chess Master,
Associate Editor, *Inside Chess Magazine.*

"One of the greatest chess books ever published. I would have titled it Bobby Fischer, His Games, His Openings, because the openings Fischer played are still valid today."

—**Ken Smith,** *Chess Digest*
