DANGEROUS WEAPONS: WITH THE FRENCH

Do you need a well-deserved break from your normal chess openings? Are you tired of constantly having to keep up with modern chess theory? Or perhaps you simply wish to try out something new and exciting, but cannot decide amongst the embarrassment of choices available? Look no further for the answer!

In this book, John Watson takes a revolutionary look at one of the most famous and widely-played chess openings: the French Defence. Instead of travelling down well-trodden and analysed paths, Watson concentrates on fresh or little-explored variations of the French, selecting a wealth of 'dangerous' options for both colours. Whether playing White or Black, a study of this book will leave you confident and fully-armed, and your opponents running for cover!

Dangerous Weapons is a brand-new series of opening books which supply the reader with an abundance of hard-hitting ideas to revitalize his or her opening repertoire. Many of the carefully chosen weapons are innovative, visually shocking, incredibly tricky, or have been unfairly discarded; they are guaranteed to throw even your most experienced opponent off balance.

- THE FRENCH DEFENCE IN A WHOLE NEW LIGHT
- PACKED WITH ORIGINAL IDEAS AND ANALYSIS
- IDEAL FOR AMBITIOUS AND ADVENTUROUS PLAYERS

International Master John Watson is a highly respected and award-winning chess writer, whose books have received much praise from reviewers and players alike. Previous works for Everyman Chess include his greatly admired and best-selling *Play the French*.
